avinya
NATURKOSMETIK

Our skin is a true miracle: it nourishes and protects itself. However its finely balanced protective shield is constantly exposed to a variety of internal and external influences.

AVINYA® REPAIR EMULSION

NOURISHMENT FOR SENSITIVE AND STRESSED SKIN.

The combination of organic aloe vera juice together with essential oils and specially selected extracts brings the skin back into balance and gives it a fresh, radiant glow. Its unique care formula supports the hydrolipid film perfectly.

NATURALLY PRECIOUS. NATURALLY CONSISTANT.

100 % nature of the purest quality – free from mineral oils, silicones and artificial additives.

Ingredients: organic aloe vera juice*, wheatgerm oil, organic alcohol*, jojoba oil*, grape-seed oil, lanolin, witch hazel blossom water, Vitamin E, bisabolol, lemongrass, sunflower oil*, lavandin oil*, tiger grass, mineral clay, xanthan gum, sclerotium gum, sodium phytate, water, rosemary oil, camomile extract, sweet orange oil, sodium benzoate, potassium sorbate, citric acid. *certified organic

HOME & GO

FOR AT HOME AND ON THE GO

avinya® REPAIR EMULSION is available
in container sizes of 15, 75 and 200 ml.

NATURAL
COSMETICS

PRECIOUS & LONG-LASTING, FROM VERY FIRST TO VERY LAST DROP.

The airless pump system perfectly protects the emulsion from oxidation and light, preventing all contact with oxygen and allows the bottle to be emptied completely – right down to the very last drop – without compromising on its beneficial effect.

TIPS FOR APPLICATION

True all-rounder with many different possibilities for application:

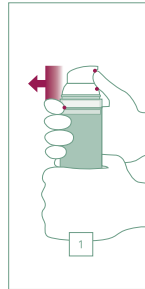

- For daily body care
- For daily facial care
(as an ideal base for make-up and as part of your night skincare routine)
- After cosmetic treatments
(i.e. peeling, sugaring or waxing)
- As part of your after-sun skincare routine
- In preparation for a wet shave and as a regenerative measure after shaving
- In case of dry and cracked hands
- As part of your skincare routine for cracked and itchy patches of skin
- In case of psoriasis or acne

REFILL & SAVE

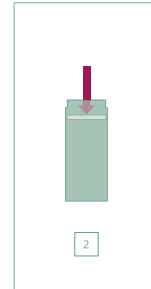

SUSTAINABLE PACKAGING

avinya[®] emulsions come with no frills or unnecessary ballast. The 15 and 75 ml dispensers are easily refillable and can therefore be used not just once, but several times.

GOOD FOR THE ENVIRONMENT.
GOOD FOR YOU.

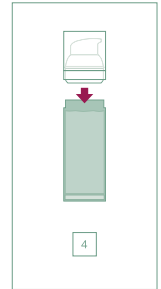

Use your thumb to push the dispenser head firmly **backwards**

Press the base back **down ...**

Fill the bottle to max. **1 cm** below the top

Reattach the dispenser head **together with** the lid and voilà, you're ready!
